

# DENMARK AND SWEDEN

## Day 1, ARRIVAL COPENHAGEN

Arrive by individual flights, arranged on own. Transfer to your hotel at own arrangement.

Copenhagen, the capital city of the kingdom of Denmark since 1417. Copenhagen is one of Europe's oldest capitals with a royal touch - the monarchy in Denmark is the oldest in the world! Copenhagen is a place where old fairytales blend with flashy new architecture and world class design. Copenhagen is also considered one of the world's most environmentally friendly cities and one of the world's leading cycle cities.

**At 16:00** meet local guide at the hotel lobby area and start **2½ hours introduction walking tour**. During the tour you will pass sights such as the Amalienborg Palace, the old harbour of Nyhavn, Christiansborg Palace (seat of the Danish Parliament), the City Hall, Hans Christian Andersen's statue, and many other popular sights. The tour terminates in **Tivoli (entrance incl.)**.

**At 19:00** welcome dinner at restaurant inside Tivoli. The Tivoli Gardens opened in 1843, and is the second oldest amusement park in the world. Apart from the various attractions (roller coasters, carousels etc.) there are many restaurants within the park, a pantomime theater, concert halls, etc. In the summertime, the park is decorated with a multitude of flowers. Return to your hotel on own.

**Accommodation at Phoenix Hotel, centrally located**

## **Day 2, COPENHAGEN – NORTH ZEALAND – COPENHAGEN**

Breakfast at the hotel. Today enjoy a **full-day excursion (10 hours) to the beautiful castles of North Zealand and Louisiana Museum of Modern Art.**

**At 09:00 leave Copenhagen by coach with local guide**, passing through rural villages and wooded, undulating countryside to Hillerød and the **Frederiksborg Castle (entrance incl.)**, the beautifully situated Renaissance building which - like so many others - was built by orders of King Christian IV. Today, Frederiksborg is the home of the Museum of National History, the collection of which includes priceless paintings, silver and porcelain items, furniture and tapestries. The castle chapel houses Denmark's oldest organ from 1610. From Frederiksborg, drive on to Helsingør and visit the imposing **Kronborg Castle (entrance incl.)**, which was the setting of 'Hamlet', the dramatic masterpiece by William Shakespeare. The castle's story dates back to a fortress, Krogen, built in the 1420s by the Danish king, Eric of Pomerania. Kronborg is situated near the town of Helsingør (immortalized as Elsinore in Shakespeare's *Hamlet*) on the extreme northeastern tip of Zealand at the narrowest point of the Øresund, the sound between Denmark and Sweden. In this part, the sound is only 4 km wide, hence the strategic importance of maintaining a sea fortress at this location. The castle has for centuries been one of the most important Renaissance castles in Northern Europe and was added to UNESCO's World Heritage Sites list in 2000

After Kronborg, drive south along the coastal road, passing through small villages, fashionable resorts and some exclusive residential areas on the way. Stop for a visit at the **Louisiana Museum of Modern Art (entrance incl.)**, located directly on the shores of Øresund in Humlebæk. Its originality lies in the fact that the beautiful natural surroundings play a leading role in showing the collections to great effect. The collection comprises sculptures by Arp, Calder, Ernst, Dubuffet, Moore, Jacobsen as well as a series of Giacometti's sculptures dramatically displayed in rooms overlooking Humlebæk Lake through floor to ceiling glass panels. The museum also holds regular temporary exhibitions. Return to Copenhagen in the evening.

**Accommodation at Phoenix Hotel, centrally located**

### Day 3, COPENHAGEN

Breakfast at the hotel. Enjoy the morning free at leisure.

Transfer on own to the New Market Halls (Torvehallerne), near Nørreport station (1,5 km from your hotel.)

**At 12:00 start of 2 hours private food tour.** This tour is centered mainly around the New Market halls (Torvehallerne) with little walking required. The tastings will provide a good sample of new Danish gastronomy along with stories about the recent spectacular rise of Nordic cuisine. The tastings make up a light meal. Tasting locations and samples during this tour (*samples may vary*): A bottle of water (0.33cl), 3 samples of organic cheeses, a small glass of apple wine, a "Bornholmer" plate (samples of mustard, crackers, juice and various candies), a sample of local smoked ham or beef (according to supply), 1 glass of craft beer/juice, 2 different types of bonbons, Chocolate treats (flødebolle), Samples of seasonal spices and herbs.

The rest of the day is free at leisure to explore some of the many museums of art, culture, history and design. We warmly recommend a visit to Rosenborg Castle, the Round Tower (Rundetårn), Ny Carlsberg Glyptotek, the National Gallery etc. Also remember time to just enjoy the pedestrian shopping streets of Strøget and surroundings.

**Accommodation at Phoenix Hotel, centrally located**

### Day 4, COPENHAGEN – SKÅNE – COPENHAGEN

Breakfast at the hotel. **At 09:00 meet guide and depart from Copenhagen by coach for a full day (9 hours) excursion to Skåne in Sweden.** Before crossing the bridge to Sweden you make a stop at the fishing village **Dragør**, which was founded by Dutch settlers invited by the King to grow vegetables for the Court. Fishing of particularly herrings has also played an important role in the history of the place. Here you can experience a very special atmosphere, narrow cobbled streets, and small colorful thatched houses. Dragør harbour gives you great opportunities to see the Øresund Bridge, a 16 km direct link between Denmark and Sweden.

Pass the bridge over the Øresund to **Malmö**, the biggest city in the Skåne area. In recent years, Malmö has developed into an exciting city with focus on cultural offerings, innovative architecture and a strong organic social character. Malmö was certified as Sweden's first Fairtrade City in 2006 and this has spurred the city's organic and fair trade offerings ever since. In Malmö we recommend a visit to Malmöhus Castle (*entrance not incl.*) which has been housing museum collections since 1926. In 1434 king Erik VII of Denmark had the castle of Myntergaarden built where the Malmöhus Castle stands today.

From Malmö drive to **Ystad**. Only a few cities in Scandinavia and Europe boast such a complete and 'living' picture of bygone days as Ystad. Many of the 300 half-timbered houses and other buildings are filled with restaurants and shops and the picturesque corners are alive with surprises and bargains. Best-selling author Henning Mankell has put the city of Ystad, also called the "Wallander's Ystad", on the world map with his detective stories about Police Superintendent Kurt Wallander, a bachelor who grapples with murder investigations and difficult criminal cases in Ystad and its surroundings. The popular books have been adapted for the screen, and you can now go on a guided tour in an old veteran fire engine (not included) around Ystad and listen to stories about the films and the books.

Proceed from Ystad to Käseberga for a visit to **Ales Stenar**. Ales stenar (Stones) is Sweden's largest preserved "ship setting" – stones set in the layout of a ship. We do not know for certain what function the stones have had through the ages, or what the ship setting symbolised for the people who created it.

Return to Copenhagen in the evening.

**Accommodation at Phoenix Hotel, centrally located**

### Day 5, COPENHAGEN – ODENSE – RIBE

After breakfast meet your long distance coach driver (day 5-9, terminates in Frederikshavn) and depart from your hotel **at 09:00**. Leave Copenhagen westward through farming countryside and small villages, some of which were founded by Vikings more than a thousand years ago. From Halskov you will drive over one of the world's largest suspension bridges constructed off-shore, the Great Belt Bridge (Storebæltsbroen) and arrive on the island of Funen. Continue to **Odense**, Denmark's third largest city and Hans Christian Andersen's home town. Visit **Hans Christian Andersen's home (entrance incl.)** on own. The humble

house, where HC Andersen was born in 1805, has been turned into a museum dedicated to the world famous fairy tale writer. *(PLEASE NOTE: the HCA museum will be at a temporary location summer 2018 due to renovation.)*

You will also visit **Funen Village Open Air Museum (entrance incl.)**. The village is from the time of Hans Christian Anderson, and here you can experience how most people on Funen lived 200 years ago in a society full of changes that affected even quite ordinary people.

Leave Odense and cross the Little Belt waterway to Jutland and continue to **Ribe**, Denmark's most famous medieval town. However, the small size has enabled it to preserve its architectural unity and to retain its old-world atmosphere while remaining a lively town.

**Accommodation at Hotel Dagmar in Ribe, centrally located**

### Day 6, RIBE – FANØ – RIBE

Breakfast at the hotel. In the morning visit to the **Viking Museum (entrance incl.)** of Ribe which brings to life the town of Ribe during the Viking period and the Middle Ages. If time permits, we can also recommend visits to the **Ribe Cathedral** and the **Viking Centre (entrance not incl.)** where you can wander around the reconstructed life-size Viking estate and meet Vikings who work with reconstructed tools using techniques that were used back then.

Drive to Esbjerg and board the ferry to **Fanø**, an approx. 12 minutes ferry crossing. Enjoy the afternoon and evening on the island in the North Sea with wide sandy beaches and great nature to explore. You have your coach at disposal all day. A visit to **Sønderho** is a must! Voted the most beautiful village in Denmark, Sønderho is the essence of Danish "hygge". The old houses and the maritime history is the perfect setting for a holiday in a relaxed atmosphere.

Ferry Fanø-Esbjerg and return to Ribe.

**Accommodation at Hotel Dagmar in Ribe, centrally located**

After breakfast at the hotel route to Kolding. Here we recommend a visit to **Tropholt museum for modern art and design (entrance not incl.)** and/or **Koldinghus (entrance not incl.)**.

Continue by coach to the village of **Jelling**. During the 10C, at the height of the Viking period, Jelling was for sometime the royal seat chosen by two Viking kings, Gorm the Old and his son Harald Bluetooth, who started the Danish Royal line. As evidence they left two large burial mounds and two rune stones, known as the **Jelling Stones**, which have given crucial information about early Danish history.
